

Highway Products, Inc. is looking for experienced powder coaters to join our team immediately in White City, Oregon. Highway Products manufactures the most innovative and toughest truck accessories on the market. We are a company that takes great pride in the quality of our work. If you want a career opportunity that will challenge you and always push you to reach new levels, we want to talk to you. We invite you to apply to join the revolution today.

As a powder coater for Highway Products you will be dedicated to and responsible for the quality and outward appearance of your work, ultimately being delivered to the customers anticipating the best built product they've ever laid hands on. To learn more about our products and sister companies you may visit these websites:

Wakeboard Boats - www.pavati.com

Drift Boats - www.pavatimarine.com

Truck Accessories - www.highwayproducts.com

Skills and requirements should be present-

- + At least 2 years of powder coating experience
- + Previous experience in a manufacturing workflow environment with deadlines and hard dates
- + Strong work ethic
- + Self starting and strong time management skills
- + Ability to work a full time schedule but also work extra hours as needed
- + Ability to lift 50lbs

Qualified candidates should come prepared to interview (may be scheduled for later date) and will be required to demonstrate their ability in other verbal and physical tests pertaining to our workflow.

* The Good Stuff:

-Full Time/ Hourly Position

-\$17 - \$23+/hr depending on experience, plus frequent overtime opportunities

-401k, Benefits and Paid Vacation

-Indoors. We have a 60,000 SF facility that rests on 11 acres.

Please respond to hr@highwayproducts.com with your resume. If at all possible, applying in person is encouraged! Our business hours are M-F 8am-5pm. Our address is:
